AFTER CENTURIES OF CRISES AND REVOLUTIONS, HUMANITY REACHED ITS PEAK—CITIES STRETCHED TO THE SKIES, MACHINES SURPASSED THEIR MAKERS, AND REALITY BLURRED WITH THE VIRTUAL. BUT AT ITS ZENITH, CIVILIZATION BEGAN TO COLLAPSE. NATURE RECLAIMED ITS DOMINION, AND MACHINES FORGED THEIR OWN PATH. HUMANITY, NO LONGER THE CENTER OF THE STORY, FACES ITS RECKONING AS A NEW ERA RISES—ONE WHERE MANKIND IS BUT A SHADOW OF WHAT COMES NEXT.
